About Us

Resokey Ltd. is a forward-thinking, multi-disciplinary company dedicated to revolutionizing the real estate and construction sectors in Bangladesh. With a strong commitment to innovation, sustainability, and customer-centric solutions, Resokey Ltd. offers comprehensive services to meet the diverse needs of clients and stakeholders.

Our Mission

To deliver cutting-edge real estate solutions and infrastructure developments that drive economic growth, promote sustainability, and create long-term value for clients, investors, and communities.

Core Business Scope

Resokey Ltd. specializes in a wide range of services, including but not limited to:

Real Estate Solutions

- Real estate transactions including sales, purchases, rentals, property management, design solutions, mortgage solutions, legal support, building material supply, construction and development services, affordable housing projects, and crowdfunding opportunities etc.
- Establishment and operation of digital platforms (portals, marketplaces, and IT infrastructure) for real estate marketing, sales, and consultancy.
- Comprehensive property development, construction, housing, and land development projects.
- Strategic partnerships to attract both domestic and international investors.

Engineering & Infrastructure Services

- Architectural design, civil engineering, structural analysis, and consultancy.
- Execution of infrastructure projects such as ports, airports, telecommunications systems, and electric utilities.
- Landscape design, safety systems, and eco-friendly initiatives.

Technology & Innovation

- Development of property technology solutions, software, and IT-enabled services.
- Smart housing technologies and e-commerce platforms for real estate products.

Finance & Investment

- Provision of mortgage loans, real estate insurance, and affordable housing solutions.
- Facilitating auctions, bidding services, and investment consultancy.

Trade & Manufacturing

- Import and export of real estate-related products, building materials, and machinery.
- Manufacturing and marketing of construction materials like cement, rods, and ready-mix concrete.

Agriculture & Marine

- Farming, harvesting, and export of agricultural products including aquaculture and horticulture.
- Deep-sea fishing and agro-economic zone development.

Hospitality & Facility Management

- Acquisition, leasing, and management of hospitality properties such as hotels, resorts, and conference spaces.
- Property management, renovation, and facility maintenance services.

Professional Services

- Training, recruitment, and placement for the real estate and construction industries.
- Research and development for industry advancements.

Core Values

- **Customer Centricity:** Placing customers at the heart of our business, we are committed to understanding their needs, delivering tailored solutions, and ensuring exceptional experiences at every touchpoint.
- **Ethical Business Environment:** Upholding the highest standards of integrity, transparency, and fairness to foster trust and build lasting relationships with all stakeholders.
- **Continuous Development:** Committing to innovation and ongoing learning to strengthen our expertise, optimize solutions, and proactively address conventional challenges in an ever-evolving business landscape.
- **Positivity:** Cultivating an optimistic and solution-focused mindset to inspire growth, resilience, and success in every aspect of our work.
- **Quality Service:** Committed to delivering excellence and consistent quality across all projects and services, no matter where or what the scope.
- **Sustainability:** Promoting eco-friendly practices and resource efficiency.

Strategic Vision

Resokey Ltd. aims to become a leader in real estate and infrastructure development, leveraging technology, fostering strategic partnerships, and expanding its footprint both locally and globally.
